

MAINTENANCE

GREAT NEWS !!

Diamond Strata Management Services now have a Property Maintenance Division available to all home owners.

Highly regarded for our fantastic level of service in Strata Management, Diamond Strata Management Services are now proud to announce the opening of our new division of property maintenance services.

We now offer a reliable and cost effective solution to cater for all your commercial and home maintenance and repair needs.

As a unique concept in Strata Management, we offer our clients exceptional service at discounted rates.

But the best news is:

You don't have to have your property managed by us to be able to take advantage of our maintenance services, we are also available to everyone at competitive rates.

No matter who you are or what property you own, you can rely upon Diamond Property Maintenance to turn up on time and get the job done efficiently. Our experienced handymen make us the first choice for maintenance services in Perth when it comes to ensuring your home, office or commercial property is maintained to the highest order.

When you engage "Diamond Property Maintenance" in Perth you can expect:

- Competitive service
- Experienced experts
- Superior work quality at incredibly low rates!

Repairs and Maintenance of property now made easy:

Our Diamond Property Maintenance Division handymen are capable of undertaking most projects. From fixing a broken window sash, or installing an IKEA flat pack, to cleaning gutters or building a fence - we can do it all. Below is a list of just some of the jobs we are able to attend to:

Building Repairs The quality of our Building Repairs service speaks for itself. All sorts of repairs & maintenance work can be undertaken. Diamond Property Maintenance Division offers a comprehensive service in building repairs to businesses and homes.

Residential Home Repairs Routine maintenance and regular house repairs is commonplace in family homes and leased investment properties. Diamond Property Maintenance Division offer a one-stop solution to all your maintenance problems & home repairs. Property owners can rest assured that any house repair task will be completed by the best in the business – leaking roofs, installing or repairing fly wire screens or spotlights, replacing weatherboards... we do it all.

Floor & Roof Repairs Diamond Property Maintenance Division's experience with floor & roof repairs positions us as the preferred option for such services in the areas we serve. Our

offering includes tile floor repair, and roof repairs, gutters etc.

Bathroom Repair Services

Our Bathroom Repair service relieves you of all the woes of leaking fittings. Toilet Repairs and leaky taps if not taken care of at the right time can lead to disastrous situations. We fix them for you before it is too late. We make sure you never have to worry about those bathroom repairs again.

Carpenter Repairs

We also deliver the best of services in carpentry constructions and we do door repairs and timber frame repair for doors.

Property Maintenance

Along with the rest of our multi-trade skills we have excellent services for property maintenance perfect for the home, office or body corporate. All property maintenance, building maintenance and commercial maintenance services are undertaken by experienced professionals. Home maintenance with us also becomes easy and affordable.

Miscellaneous Repairs and Maintenance

We can do gutter cleans and other maintenance work which demands much of your time and effort. As part of the comprehensive house repairs, this is just another small way Diamond Property Maintenance Division can make life better for you – helping you to deal with these annoyances easily and effectively without any hassles.
